

THE ESSENTIALS

Ophthalmology Specific Assessment Tools

Important Criteria for an assessment system:

- Use multiple assessment methods
- Use multiple evaluators
- Obtain multiple observations

Assessment Methods	Competency	Evaluator
- Global Performance Rating (Rotation Evaluations)	MK, PC, PBLI, ICS, P, SBP	Faculty members, Program Director
- OKAP (Written Examination)	MK	AAO, Program Director
- ABO Written and Oral Examinations	MK	ABO, Program Director
- 360 Degree Evaluations a. Self Assessment b. Fellow Residents c. Professional Associates	ICS, P, MK, PC, PBLI, SBP	Resident Residents Nurses, staff, technicians, coordinator, fellows, other health care professionals
- Patient Surveys: d. Patients	ICS, P	Patients
- Portfolios	MK, PC, PBLI, P, SBP	Program Director, faculty member, resident
- Procedural Skill Assessment	MK, PC	Faculty member, fellows, volunteer faculty, Program Director
- Surgical Case Log	MK, PC	Program Director, Resident

THE SECOND TIER Ophthalmology Specific Assessment Tools

Important Criteria for an assessment system:

- Use multiple assessment methods
- Use multiple evaluators
- Obtain multiple observations

Assessment Methods	Competency	Evaluator
- Oral Examinations	MK	Faculty members
- Observed patient encounter and evaluation (e.g. OCEX)	MK, PC, PBLI, ICS, P, SBP	Faculty members, fellows, volunteer faculty, Program Director
- On Call Assessment Tool (e.g. OCAT)	MK, PC, SBP	Faculty member, Program Director
- Journal Club Tool	PBLI, ICS	Faculty member, Program Director
- ESSAT (Eye Surgical Skills Assessment Test)	MK, PC	Faculty member, Program Director
- OASIS (Objective Assessment of Skills in Intraocular Surgery)	MK, PC	Faculty member, Program Director
- GRASIS (Global Rating Assessment of Skills in Intraocular Surgery)	MK, PC	Faculty member, Program Director

THE THIRD TIER Ophthalmology Specific Assessment Tools

Important Criteria for an assessment system:

- Use multiple assessment methods
- Use multiple evaluators
- Obtain multiple observations

Assessment Methods	Competency	Evaluator
- Chart Stimulated Recall	MK, PC	Faculty members, Program Director
- Objective Structured Clinical Examination (OSCE)	MK, PC, ICS, P	Faculty members, Program Director
- Simulations and Models (Surgical Simulators)	MK, PC	Program Director, Simulator
- Record Review	PC, PBLI	Faculty member, Program Director
