

# 2009 Joint Meeting Virtual Exhibition

Start exhibiting three months early—for free!

The Academy's 2009 Joint Meeting Virtual Exhibition (VE) will go live in early August. Attendees will:

Search the VE by company name, booth number and product categories.

Identify the location of your booth in the exhibition; and view your digital booth, company profile and product categories.

Personalize the VE through My Expo, mapping the exhibitors they wish to visit during the meeting.
